

The Georgia Center for Nonprofits (GCN) is a trusted resource for Georgia's nonprofit community, delivering programs and services that enable smarter strategy, better talent management, efficient operations, improved revenue generation, coordinated advocacy, and stronger nonprofit leadership.

We serve thousands of organizations and purpose-driven professionals each year, providing a dynamic space for our sector to exchange ideas, gain insights, and create solutions that sustain and strengthen mission impact.

Partnership provides a valuable opportunity to connect with nonprofit leaders and decision-makers while leveraging awareness and visibility for your business's social responsibility activities and philanthropic priorities.
